

dream BIGGER

INTRODUCTION

Creative and Performing arts workshops.
Connecting artists with potential future
artists to make ideas a reality.

A supportive process for participants to
create art for themselves.

Currently

Engaging young people from 14 to 25. The
young people get the chance to work
creating dance, song writing and sound
production. It becomes a
teaching/learning model as the young
people and artist work together.

OBJECTIVES

This program aims to improve the
social and emotional wellbeing
of young people by creating
connection within supportive
environments.

CURRENT PARTNERSHIPS

Northern Rivers Conservatorium, Beyond
Empathy, Lismore Regional Gallery, Solid
Mob, Social Futures

METHOD

Dream Bigger aims to meet its
objectives through the following
programs:

Creative Skills Intensives

the Creative Skills Intensive program
was conducted for young people to
engage in creative and performing arts
skills through the school holidays. Both
music and dance workshop were
provided.

Our partnership with the Northern
Rivers Conservatorium allowed us to
access
designated spaces appropriate for
providing music and dance skills

Weekly

Programs such as Clubhouse and
Friday drop in provide a creative and
safe space
for young people to engage with various
creative processes, artists and
participate in learning about various
support services.
