LEARN WHILE YOU LUNCH MAY 2024

A deep-dive webinar series exploring practical strategies to integrate environmental factors into patient care and policies that prioritise environmental health.

Webinar 1: From Earth to Health

Friday 10 May 2024 | 12:30pm - 1:45pm

Webinar 2: Bridging Health and Ecosystems

Friday 17 May 2024 | 12:30pm - 1:45pm

Webinar 3: Home Sweet Health

Friday 24 May 2024 | 12:30pm - 1:45pm

Webinar 4: From Policy to Practice

Friday 31 May 2024 | 12:30pm - 2:00pm

OBJECTIVES

- Enhance your comprehension of the relationship between environmental factors and health outcomes, delving into topics such as clean air, safe water, and sustainable housing, through real-world examples and case studies.
- Identify actionable strategies and tools to effectively address environmental determinants within your workplace.
- Become an effective advocate for policies that support environmental health and sustainability, empowering you to drive positive change within your community.

Environmental Determinants of Health

Webinar Series
